

FACT SHEET

VIZIONX is a professional services consulting firm made up of specialist industry divisions that each provide a range of assurance and project management services to the Defence, Rail, Maritime and Aviation industries.

How we can help:

Specialising in compliance, safety, risk, assurance and business management solutions. We are an enterprise of experienced advisors that deliver the innovative and proven solutions needed to tackle the compliance, safety and regulatory challenges confronting your business. We apply management frameworks and risk controlled solutions that are tailored to every customer and each assignment.

Where we excel:

Our specialist services include:

- a) Compliance & Quality
- b) Change & Risk Management
- c) Safety (SMS, TEM, WHS & EHS)
- d) Fatigue, Human Factors & NTS
- e) Aerodrome Lighting Flight Inspection & Commissioning
- f) 1st / 3rd Party Assurance & Standards
- g) Process Re-engineering
- h) Airworthiness & Seaworthiness
- i) Business Continuity
- j) Emergency Response Planning

Authorities & Regulators:

For the Defence, Maritime and Rail industry, Airlines, Aviation Charter, Flight Operations and Aircraft Maintenance; our advisors have experience working together with authorities such as:

Defence, WorkCover, DITRDLG, CASA, ATSB, AMSA, ITSr, CASG, DASA, FAA, EASA, DCA Malaysia and CAA NZ

Where we add value:

We bring value through management and support in areas such as:

- a) safety, quality and risk systems
- b) policies, procedures and manuals
- c) compliance, assurance & standards
- d) internal audit programs
- e) project management
- f) strategic growth and planning
- g) tender response teams, and
- h) business mentoring

Our purpose:

We assist organisations to become more efficient, competitive, compliant, profitable and safe. For established organisations VIZIONX helps them to realise and maintain Continuous Improvement Frameworks and growing businesses VIZIONX helps them become Defence, Rail and/or Aviation Ready.

Our commitment:

Giving our customers everything they were hoping for and more; and always exceeding your expectations. This is exactly how we want to do business.
